FIELD DAY

T.A.R.C. Field Day '88 was held at Dray Field, June 25-26, where the club enjoyed the facilities of the stands, press box, & light poles

On top of one of the light poles, in addition to supporting our antennas, a family of Ospreys had assumed squaters rights and did not appreciate Archie climbing their pole to attach the antenna supports. Fortunately there were no "accidents" by the "O's".

As far away as New Jersey and Pennsylvania we received helpful preparations for Field Day...TNX Bob-W2NCF & Fred-K3VMS. Participation was excellent throughout the entire 24 hours of operations. Many contacts were made with antennas covering most bands.

Two meals were provided by Al WD4HIH, excellent food savored by all who were there at meal times. Archie, WN3DHI provided our power with a 6.5 KW generator, with K4CWG's generator as a backup if needed.

A vote of thanks to the North Brevard School Board for the use of the facilities and to Bill, WA4CUO for his efforts in obtaining permission to use the same without the insurance $$$ requirement.

Ozzie (N4SCY) is now in process of entrering the data into his computer program to weed out the duplications... we will soon know how we made out. Don't think we will need a warehouse to store our trophies and awards but everyone agrees we had fun.

Many thanks to the gang for the antenna construction, installation, food preparation and serving including coffee, soda etc., equipment use and many hours of hard work.

4th of July Fireworks

The T.A.R.C. Club again this year provided support to the JC's for the 4th of July fireworks display at the Titusville waterfront. We roped off about 1000' around the perimeter of the firing site and were able to keep the people back safely (With some pursuasive talk...). The JC's were very thankful and said that they couldn't have done it with-out TARC's support. Thanks to all those that came out to help.

Participants in the event were: KA4LTK-Loyd, K4EOS-Clyde, WD4HIH-Al, K4CWG-Bud, K4SJC-Les, KB4XLY-Wayne, N4SCY-Ozzie, WN3DHI-Archie, (HarryShelter), WD4LUW-Ed, WA3EKM-Bruce, WB4ZUY-Wynn, KB4BNL-Dawn WB4ZUZ-Theresa, KB4PRN-Jerry, WB4BNL-Don, N4SCZ-Ron, K3KS-Dan, WB4IZU-Gene, & W4EPU-Pike.
